Made in China

P.I.T.

21 Years
INNOVATION
To Empower People's Every Job

VISION

To become one of the top three indigenous tool brands in China.

MISSION

Empower the world with manufacturing excellence of China.

VALUE

Integrity and responsibility, pioneering innovation, cooperative win-win solutions.

COMPANY PROFILE

P.I.T. is an enterprise dedicated to the design, R&D, production, sales, and service of power tool and hand tool products.

Over the past 21 years, we have grown from a small-scale factory into a global professional tool manufacturer with over 500 outlets worldwide, covering vast markets in Europe, Asia, Africa, and the Middle East.

Guided by our core philosophy of "Be a Pro with P.I.T." we are committed to providing comprehensive, scenario-based tool product solutions for professional and DIY tool users around the world.

P.I.T.

WAREHOUSING
AND LOGISTIC SYSTEM

20000+
square meters
7,856 available storage shelves

17
17 TESTING UNITS

60+
OVER 60 TYPES OF EQUIPMENTS

1000+
dimensions such as functionality
GB IEC EN CSA ISO DIN ANSI

10000+
After-sales service outlets

For a long time, we have won the favor of the market with a wide range of product categories, solid quality and exceptional value for money. Whether in cold Siberia, inland Central Asian countries, or in hot Africa and Southeast Asia, you can always find P.I.T.'s products.

DRUAPOWER

★ ★ ★ ★ ★

ADVANCEPOWER

★ ★ ★ ★ ★

CONTROL POWER

★ ★

DRUAPOWER tools can provide high-precision solutions and maintain prolonged continuous operation with high accuracy and long working life.The user are mostly professional factories or engineering construction teams.

ADVANCEPOWER products are suited to rugged conditions, the working condition focuses on stability. Mainly used in construction, plumbing, building roads, decoration, woodworking, metalworking and other industries that demand heavy-duty performance.

CONTROL POWER High cost-performance ratio, good portability and versatility.They are mainly used in scenarios where high precision and prolonged operation time are not required. Suitable for occasional repair jobs and simple DIY tasks.

HEAVY DUTY PROFESSIONAL HAND RIVETER

All steel mechanism, heat treated driving components for impact knife, power spring, staple channel, staple magazine, lubricating oil application hole, fire up to 20000+ shots. The lightweight and compact stapler is powerful but super easy to use. Ergonomically purified curve shaped handle and four fingers accept grip for easy squeeze, fire staple gun easily without fatigue. Special handle lock for better organize within tools shop or garage and convenient carrying in tools' bag. Bottom staple loading magazine with never missing build in rod, low staple view window avoid unattended dent mark on smooth nice working surface, precise staple exist direction indicating mark.
